## CAMP 2011

**EJ:** Thank you for letting us to be able to go to camps. The camp I went to was fun. My favorite part of it was rafting, even though we had to raft for three days and our muscles ached. We would ambush other people's rafts; have water splashes and Chinese fire drills. I just want to say thank you guys for making it possible for me to go to Lake Ann.

**Peter:** I would like to thank everyone who sponsored my week of camp at The Springs. Camp was fun and I met some friends that I hope to have the rest of my life. It was cool to be able to impact some people's lives and have them impact my life as well.

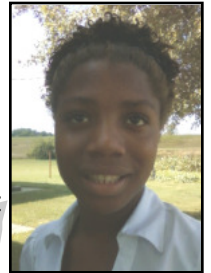

**Houseparents, Tom and Rachael:** The kids were able to go to Twin Lakes Camp this summer and learned about the consequences of sin with the theme of "Dead Man Walking."

We are excited to announce that Geraldine surrendered her heart to the Lord and was saved at camp. At home she's had many questions about salvation and was very thoughtful about her relationship to the Lord. We are excited she made this decision to trust in Jesus and look forward to seeing how her decision will help her grow into a Christian woman who honors the Lord.

We are so grateful for your giving spirit and want you to know that your donations have lasting effects in God's Kingdom.

**Precious:** Thank you for sending me to camp. I had a fun time. I got to know people better and it was fun learning more about the armor of God.

**Geraldine:** Thank you for everything. I really had fun at camp. Giving my life to Christ really changed my life. Something that changed in my life is the way I act.

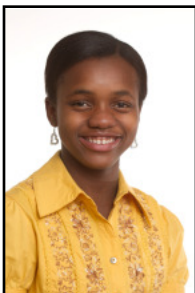

**Christine:** Thank you so much for paying for my camp fees. I had so much fun with my friends. We went to chapel to praise God.

# THANK YOU!

**Houseparents Rob and Tori:** All the children spent a week at The Springs Camp. They had a lot of fun, but very little sleep! They cannot wait to go back next year. It is still the top topic of conversation around the house. Thank you for all who faithfully support our ministry which allows them to be able to attend camp each summer.

**Musu:** Thank you so much to everyone that made it possible for me to go to camp. Without your generosity that wouldn't have been possible. You don't know how much it means to me. I made a decision of following God's words and going on at least one mission trip before I graduate.

**Konah:** Thank you for sending money for me to go to the Springs! I had a lot of fun. Some of my favorite things at camp are paint ball, going down the water slide, swimming and free time.

**Calvin:** Thank you for sending money so I could go to camp. There's no other place in the world that I love more than The Springs! My favorite part about camp is the people and being surrounded by a godly environment. My favorite activity is probably paint ball. I thank you for allowing me to go.

**Georgia:** I have never gone to camp before. I enjoyed the music, games, food, and learning the motions to the music. I learned about God.
