Thank you to everyone who participated in the BCH Food Shower!

Food Shower 2011

Thanksgiving week we were showered with blessings as churches in Michigan and Indiana had a huge Thanksgiving Food Shower for BCH. We were blessed with boxes and

bags of food and household supplies. It is exciting to see how God supplies

our needs year after year. We were also blessed with a crew from Emmanuel Baptist who helped sort and stock the items on the BCH office food room shelves. Thank you for your generous part to help boys and girls. Jim Geurink, BCH President

Thank you so much for your generous donations. We were given a great amount of nonperishable food and appreciate that you give to our ministry. Thank you for sacrificing your money and time to meet the needs of the kids. Tom and Rachael, Houseparents

Thanks boys for your help

AWANA, Kossuth Street had a food shower contest

Sorting and shelving Jello & pudding

We were showered with food! It is so neat to see all that food fill our cupboards! It is a visual representation of God's provision and we are so grateful to all the people and churches for providing this much needed food for our family.

We so appreciated the generosity of our churches. We could tell the list was carefully considered. Thank you to those who thought about the needs of the young ladies at the ILP. Getting things like coffee, spray cooking oil, and the well needed garbage bags is really generous. I (Teri) would like to thank those who gave things that helped me personally with my special dietary needs...the sugar free items. What a blessing. You all have given from an abundant heart...thank you. Chuck and Teri, Resident Life Coaches, Independent Living Program
