Food Shower 2011

Once again we have been blessed tremendously by the generous gifts of food and by the time of fellowship with those who took the time to deliver food and supplies to our Michigan office. We are especially grateful for these gifts in light of the increasing costs of these items. God has provided through His people! Jeff Oswald, BCH Michigan Director

Thank you to everyone who donated all the potatoes we got from the food shower. I love potatoes especially real potatoes! Thank you again for all the food you donated. We really appreciate it! God bless, Dillan

Matthew 25:34-40 show exactly the generosity you have demonstrated, not only with the abundance of food that has been donated, but also with the time and effort put into the act of donating. Without the kindness of our church supporters BCH would not be what it is today. Truly God has been watching over and blessing us year after year with your help. Thank you for your continued diligence in providing for the BCH families. The blessing of a meal is one that should never be overlooked. Blessings in Christ, Andrew & Samantha, Relief Houseparents.

Wow! Where do we start? Keith and I have felt so **BLESSED** by the various contributions of food and money you have lavished upon the BCH family. This is our first experience in being part of a food shower. We are overwhelmed with Christ's love shining through so many individuals and churches. It especially warms my (Muriel) heart as food as a child was sometimes hard to come by and God always provided then too. But to see God lead in your lives to provide food for many homes full of children for a WHOLE YEAR is... **INDESCRIBABLE...an act of God!** This to us is a true picture of God's design for the church family. We want to take this time to say **THANK YOU** for your loving contributions of food, time in prayer, and your friendship! May God richly bless you as you continue to bless others. Keith & Muriel, Houseparents

Thank you so much for donating food to the Baptist Children's Home. We all appreciate your donation. We all thank you for your prayers. We all enjoy all the food everyone donated. We barely had enough room to fit all of our food. We keep you in our prayers. Brock
